

Finding the right kind of service for you depends on a number of factors. We believe the best way to find a solution that fits you is to compare all available options. We've provided a free comparison chart for you to use, listing the many different questions you will want to ask before making this important decision regarding your pet.

|                                                                                                                                                                                                                   | <b>Creature Comfort Pet Sitters</b> | <b>Option #1</b> | <b>Option #2</b> | <b>Option #3</b> |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------|------------------|------------------|------------------|
| Criminal background check on all employees                                                                                                                                                                        | Included                            |                  |                  |                  |
| Insurance and bonding for all employees                                                                                                                                                                           | Included                            |                  |                  |                  |
| If your primary pet sitter becomes ill or faces a family emergency, only a fully trained, insured and bonded employee will visit your pet. In most cases, this will be someone you and your pet have already met. | Included                            |                  |                  |                  |
| No holiday surcharge                                                                                                                                                                                              | Included                            |                  |                  |                  |
| No extra charge for multiple pets                                                                                                                                                                                 | Included                            |                  |                  |                  |
| No mileage charge for standard visits. (Pet transportation mileage charges may apply - call for details.)                                                                                                         | Included                            |                  |                  |                  |
| Automatic 10% discount for senior citizens                                                                                                                                                                        | Included                            |                  |                  |                  |
| Customer appreciation discount                                                                                                                                                                                    | Included                            |                  |                  |                  |
| No charge for last minute scheduling. (Advance notice is appreciated though (smiley face - big teeth?). Cancellation charges may apply.                                                                           | Included                            |                  |                  |                  |
| No charge for extra services completed within a standard 30 minute visit (plant watering, take in/out garbage/recycling, bring in mail, empty dehumidifier, check hot tub, rotate lighting, etc.)                 | Included                            |                  |                  |                  |
| Available 365 days / year 7:00AM - 9:30PM                                                                                                                                                                         | Included                            |                  |                  |                  |
| No charge for "meet and greet". (Before we care for your pet, we come to your house to get to know you and your pet in the environment in which he/she is comfortable).                                           | Included                            |                  |                  |                  |
| No extra charge to dispense medication                                                                                                                                                                            | Included                            |                  |                  |                  |
| Mail and newspaper pick-up, plant watering, garbage/recycling take-out and pick-up                                                                                                                                | Included                            |                  |                  |                  |
